D.M.S. WILL VISIT TRINIDAD

'Sunavis' Loads Sugar

IT IS UNDERSTOOD that Dr. F. P. O'Mahoney, Director of Health, will arrive in the island to-day, and on his return Dr. P. F. G. Gillmore, Medical Officer of Health, will act as Director.

Mr. O'Mahoney is expected to arrive to-day at 5 p.m. from Trinidad by the 'Sunavis'. The dress code on the return trip of the 'Sunavis' will be 'white'.

500 Tons Of Pickled Pork Expected

A shipment of 500 tons of pickled pork is expected to arrive from Canada on the return trip of the 'Sunavis'. The pork is to be inspected by the Department of Agriculture.

Bridge Swung: Plans Repaired

BRIDGE SWUNG: PLANS REPAIRED

It is understood that the plans for the new bridge at St. Nicholas are being revised and that the bridge will be swung again.

626 Transactions At Govt. Bank Yesterday

Six hundred and twenty-six transactions were dealt with at the Government Savings Bank yesterday. This was not a record day, but it was the highest turnover in the last two months. During the months of April and May the daily average was 10,000, as compared with 12,000 in June and July.

8 Sales Clinched In Provost Marshall's Office

Eight sales were clinched in the Office of the Provost Marshall yesterday. The Provost Marshall, Mr. J. A. Potts, has been busy with his office and has been dealing with many matters relating to the police force.
