CITIZENSHIP—CANADIANS BORN ABROAD

The Department of Citizenship in Ottawa has been informed by the Imperial authorities in the various British Guiana Departments that the British Guiana Citizenship Act, 1950, has come into force.

This Act makes no change in the law of citizenship, but it provides that any citizen of Great Britain or any British subject (except a citizen of the United States of America) who is born in British Guiana and who has been domiciled in British Guiana for a period of five years shall be deemed to be a citizen of British Guiana.

The Act also provides that any citizen of Great Britain or any British subject who has been domiciled in British Guiana for a period of five years may, if he so desires, become a citizen of British Guiana by making a declaration of intention in accordance with the provisions of the Act.

This Act is expected to come into force on the 1st day of January, 1953.
