

who scored. With the score 1-0 in favour of the Sporting Club, Speeds attacked the Sporting Club's goal again and again, but it was not until after 25 minutes of playing that Louis got the ball and past it to Boisy who past it to Lulu, Lulu after "shaking-off" a few attackers scored, to bring the score 1-1.

In the second half both sides tried hard to score, but in vain; and when the referee blew the final whistle the score was still 1 - 1.

The referee did a wonderful job, and everyone who witnessed the game was pleased with the performance of the players of both teams. We have no doubt that this match will long be remembered by football fans.
