Phone 2-7696

FRIDAY, APRIL 8, 1938

We're glad some of the members of B'nai Brith are on the job. They've been called on to do a bit of work for the lodge, yet. We'd be glad to have an even larger number on board. More of our members are needed in lodge work, and we're sure President Stone will be happy indeed to have some of you boys assist in some useful work if you'll only say the word.

The B'nai Brith is beginning to get into motion for the next lodge meeting. We shall see it through, however, and hope our membership will soon be a little larger.

We're certain President Stone will be happy indeed to have some of you boys assist in some useful work if you'll only say the word.
