Hey, Smith...I think it's time for us to sit down.

I don't think that's a good idea. It's cold outside.

You don't need to worry about that. It's just an old man's idea of what's best.

Hey, Santa found you. And he's been busy all day.

Hey, Santa! What's so special about you today?

There's no need for you to worry. I'll take care of your phone's connectors.

Why bother fixing anything? We'll just get you a new phone when we're done.

Hey, Smith! Your job is to run these machines. Don't worry about the system's status.

And so after so many years, you're back to doing what you do best. That's us, Santa.

Hey, Smith! You're getting new phone! And now it's all yours! Thanks for being such a hard worker, Santa!
