BLOODIEST BATTLE OF WAR FINALLY OVER IN VIET NAM

Binh Gia, Viet Nam, Jan. 2 (UPI)--Helicopters loaded with American and Vietnamese dead flew out of here in a steady stream today, after communist Viet Cong guerrillas finally let government troops recover the most disastrous battle field of the Vietnamese Civil War.

The bodies of three more Americans were found near their crashed helicopter today, and advisors reported that a U.S. Marine Company officer had been wounded and captured on New Year's Day.

The fresh discoveries brought American losses to eleven wounded, four killed and three presumed captured, in five days of fighting which ended Friday. It was the worst American casualty toll of any single battle of the Vietnamese fighting.

The four dead Americans were killed when their helicopter was shot down and crashed among enemy troops on Wednesday night. They were listed as missing until the last of the bodies was recovered today.

Government losses soared into record number this morning as mopping up troops brought nine of 10 dead Vietnamese Marines from the scene of an ambush near the downdown chopper.

Paratrooper reinforcements were still pulling dead and dying Marines out of the bushed this afternoon.

BRITAIN BEEFING UP DEFENSES AGAINST INDONESIAN INCURSIONS

SINGAPORE, Jan. 2 (UPI)--The British Far East Command today took further steps to beef up Malaysia's defenses in its Borneo States and in Malaysia proper.

The additional measures were taken following the British Defense Ministry's announcement that 1,000 troops consisting of the 2nd Parachute Battalion and a battalion of the Green Jackets were being flown to the Far East in view of reported increased Indonesian military buildup along Malaysia's borders.

Move of the first Battalion Scots Guards during the weekend to east Malaysia (Baramak and Sarawak) and reactivation of four coastal minesweepers and two seaward defense boats from the Royal Navy Reserve Ships Force here to reinforce the patrolling fleet along the coasts of mainland Malaysia.

A Far East Command spokesman said the measures were being taken by the Command in view of increasing numbers of Indonesian incursions into Malaysia's territories.

"Increased patrolling of the seas is expected to put a stop to such violations of Malaysia's territories by Indonesian regulars and guerrillas," he said.

A United Press International count at 0.6 at 2341, 0.8 at 1048, 0.6 at 2341

WASHINGTON, Jan. 2 (UPI)--U.S. officials said today Indonesia's announcement that it was withdrawing from the United Nations was not "entirely surprising," but if they expressed regret over the move.

Officials here said, however, that it was unlikely the United States would make any formal statement on the issue or that it would urge President Sukarno of Indonesia not to withdraw.

WASHINGTON, Jan. 2 (UPI)--Liberal Democrats were confident today their carefully-hurried plans to overhaul the House Rules and punish a pair of rebellious party colleagues would succeed.

Leaders of the Democratic study group felt they had the votes to put over the following sweeping program at their party caucus today:

"Discipline, Reps. John Bell Williams, of Mississippi, and Albert Watson, of South Carolina, for supporting Republican Presidential candidate Barry Goldwater in the 1964 campaign by withdrawing their coveted committee seniority.

"Smooth the way for President Johnson's 'Great Society' program by eliminating a series of roadblocks built into the House Rules and frequently used by Republicans and conservative Democrats to stall liberal legislation.

The liberals took their plans into the caucus of all 295 Democrats elected last November 3 to serve in the 93rd Congress starting Monday.

The 140 Republicans will caucus with a bitter struggle for the party leadership to settle.

INDEONIA WITHDRAWS FROM U.N. IN A HUHF OVER MALAYSIA'S SEAT

UNITED NATIONS, Jan. 2 (UPI)--Indonesia announced today it is withdrawing from the United Nations in protest against the seating of its arch-enemy Malaysia.

Secretary General Thant cabled President Sukarno asking him to reconsider his decision but a spokesman for the Indonesian delegation here said his country "no longer considers itself a member of the U.N.

It was the first such withdrawal in the U.N.'s 10-year history. Western diplomats said that if carried through, the Indonesian move could have disastrous and far-reaching consequences for the world body -- already wracked by a manifold financial crisis.

Indonesian Ambassador Lambertus N. Palar announced today he had conveyed his country's decision to leave the U.N. to General Assembly President Alex Quisumbing-Sackett on New Year's Eve. Yesterday, he said, he gave the same information to C.V. Naranasimha, then Chief of Cabinet. The Secretary General himself is recuperating in the Virgin Islands from a peptic ulcer attack.

Narasimha at once called Thant, and the Secretary General fired off a cable to Sukarno asking him to reconsider his decision. The cable noted that 1965 is the U.N.'s 50th International Cooperation Year and said Thant hopes your Excellency's government would not think of withdrawing its cooperation from the world organization.

BURCH PRESENTS PLAN TO STRENGTHEN PARTY

WASHINGTON, Jan. 2 (UPI)--Dean Burch, delegate to the Republican National Committee, yesterday sent Committee members his blueprint for rebuilding the Republican Party for the National elections of 1966 and 1968.

He plans to make it public tonight.

Burch's letter was another in a series of moves by him and his sponsors, Sen. Barry Goldwater, to strengthen Burch's hold on the Party Chairmanship.

It was mailed from the Party's headquarters New Year's Eve.

Anti-Goldwater Republicans and others disenchanted with the Goldwater campaign have been calling for Burch's ouster since the election.

Barring a truce, which probably could be no more than temporary, a showdown is expected at the January 22-23 National Committee Meeting at Chicago.

To have any hope of winning the Presidency in 1968, the GOP needs to gain seats in Congress and to strengthen itself in statehouses and court houses in the 1966 elections. Meanwhile, it needs to rebuild its factional-tern organization and to write a record in Congress with appeal to voters...
POPE LASHES OUT AT CONGO MURDERS

VATICAN CITY, Jan 2 (UPI) -- The Vatican shouted out through its press and radio media today against the massacre of missionaries in the Congo of "indescribable violence and cruelty." The strongly worded denunciations followed Pope Paul VI's New Year's peace appeal directed mainly to the Congo, where he said "Still today brothers, still today, where still suppression, revenge and war are thought to be instruments of order and peace."

The Vatican newspaper, L'Osservatore Romano, said: "The terrors of Paul VI's New Year's appeal are directed to the Congo, where he said: 'Still today brothers, still today, where still suppression, revenge and war are thought to be instruments of order and peace.'"

The newspaper spoke of "the mournful and glorious mission" of Bishops Joseph-Louis Albert Wtebilles and 15 missionary fathers at Stanleyville and three Italian missionaries from the Institute of African Missionaries of Verona.

The Vatican Radio said: "There are still many priests, sisters and Christian missionaries in the hands of the rebels, to our anxiety is joined as ever the suffering of our brothers, to our care, generosity and disinterested work have done."
MEASLES VACCINATION

Measles vaccine is available at the Kwajalein Hospital and should be given to children between the ninth and tenth month of age, unless they have previously had the disease or have been advised not to take the vaccine by their physician.

For many children measles is both distressing and inconvenient. Other children are not so fortunate, as one out of six will develop a secondary infection, such as pneumonia or ear inflammation. With good care most of these children will get well. Here again, some get entirely well, while others have permanent brain damage such as mental retardation. Some victims also do not survive.

More deaths are caused by measles than any of the common diseases of children, including polio. Any child coming in contact with a carrier or a patient with measles has a 90 percent chance of coming down with the disease, unless he has had it or been immunized. Almost 500 deaths from measles were reported in the United States last year. You can prevent measles by having your child inoculated.

Immunizations are given at the Hospital between 7 and 8:30 AM and 3 and 4 PM each work day. Take advantage of this important precaution soon.

GLOBAL WIVES TO MEET MONDAY

The Global Wives group will meet in the Banyan Room of the Yokae Yik Club on Monday, January 14 at 6:30 pm with a social hour. This meeting is to be held as an effort to introduce all new families to each other. A nominal charge of 75¢ per person will be collected from each woman.

A brief meeting will be held to elect officers for the group. All wives of global employees are invited and urged to attend this meeting and lend support to the organization.

NEW SYSTEM DESCRIBED

Holmdel, N. J. — An electronic telephone switching system that will soon begin to replace present-day electro-mechanical systems in Bell Telephone central offices was described here recently by engineers from Bell Telephone Laboratories and Western Electric Company.

The result of ten years of research and development, the No. 1 Electronic Switching System will be able to offer a variety of new telephone services and will have the flexibility of providing in the future additional services not yet even dreamed of. The new system uses "stored program control," that is, instructions for providing services and processing telephone calls are stored in a large-capacity temporary and semi-permanent magnetic memories. New services can be provided by simply removing magnetic memory cards and rewriting the information on them.

Among the new possible services are abbreviated dialing Numbers can be reached by dialing two to four digits. Dial Conference - A caller can set up a telephone conference by dialing the other conferees in turn. Add On - A third party can be brought into the conversation in progress by dialing him.

Completion of the system throughout all Bell Telephone offices is expected by the year 2,000.

SWAJSKOSKI CLANKS CARDINALS

Hard-throwing right-hander John Swajkoski pitched the first place Giants to a 5-0 shutout victory over the second place Giants in the only afternoon game of the New Years holiday in the only game played in the Little League. The Cardinals setback saw Roy Norton tossed his fourth game of the year on the mound. Both Swajkoski and Norton were previously undefeated on the mound. The Cardinals bullpen was a loss record before entering the game. The timid respectacles Swajkoski also carried the Giants offensive attack when he slammed a triple and a double while John Black and Doug Key provided with a pair of key singles.

Opposing the Jay M. Rittenmyre Swajkoski bid for a no-hit, no-run game when he crashed a double in the fourth, Swajkoski fired with consistent accuracy to fan a total of 12 Cardinals to total his amount for the season with 100 strikeouts, a record high about this team and Swajkoski will have no difficulties in breaking the strikeout record of 130 set by Perry Bracey of the 1961-62 Giants.

RIKAKIS NEAR EASTERN DIVISION PENNANT

The Rikakis rolled to a 19-5 victory over the High School #2 on Thursdays afternoon. The Rikakis get closer in clinching the eastern division title of the Men's Slow Pitch Softball League.

The Rikakis have the most remaining scheduled games with still two more strong opponents to face, the Kwaj Nets and the Na Alumni B. Winning pitcher Jim Duncan who limited the Scholars to only five runs on seven hits, drove in a total of five runs himself with a 4 for 5 batted double and his first homer of the season. Duncan's double came in the opening frame which also saw Ed Barrett crash his first homer of the season off loser Scott Shellhorse.

MEN'S SOFTBALL Tournment

Sunday 3 January 12 noon Dally field, Ebeve Moutiers vs. High School #2, 2pm Dally, Na Alumni B vs. Kwaj Mets, 1pm Brandon, High School #1 vs. Burns & Roe, 4pm Brandon, Greyswoods vs. Jonak, 5pm Brandon, Ebeve Tritons vs. Na Alumni A.

@ Indicates that in case the ship arrives today or tomorrow, the Greyswoods and Na Alumni B will not be able to play their games.

Monday 4 January 5pm Dally field, Douglas vs. High School #2, 5pm Brandon, F.I. Americans vs. Na Alumni A.

LITTLE LEAGUE SCHEDULE

Sunday 3 January 12 noon Little League field, Giants vs. Yankees.

KGA Tournament

The KGA Tournament in the year of the 1964 championship - the tournament with the following results:

H. Bene is the club champion of 1964 with Al Odada the runner-up. Winner of the only game in the tournament was M. Gonzales, runner-up Tom Russell. Second flight was T. Hiyamoto, runner-up S. Kau. Winner of the only game was M. Fukuda, runner-up Chas. Shitabata. Winner of 4th flight J. Jacques, runner-up Luter. In the 5th flight was ace photo man, George Shellhorse with R. Hiller as runner-up. Trophies will be presented Sunday.

college cage round-up

New York, Jan. 2 (UPI)--St. Louis and Notre Dame both turned and faced each other to probe the Dallas Cowboys and told some to see what they could do with him.

FLORIDA A&M STUDENT SETS U.S. 300-YARD MARK

Miami, Jan. 2 (UPI)--Grady Smith, a sophomore at Florida A&M, attempted the 300-yard dash for the first time yesterday and set an American record for the event with a time of 30.0 seconds flat at the second annual Orange Bowl Meet at Miami.

Another highlight of the meet was Olympic Silver Medal winner Randy Matson of Texas A&M winning the shot put with a 65-feet-10.5 inches, long enough for a meet record, but far off the world mark of 67-feet-10 inches held by Dallas Long, who is now ranked in long jump competition.

The 17-man squad from Southern University of Baton Rouge, Louisiana, won the team trophy by capturing seven first places.

Santa Anita, Jan. 2 (UPI)--Lightly regarded "Soft" pulled away in the stretch to win the San Gabriel Handicap at Santa Anita Friday, "Polizeiro" finished second and the favored "Colorado" was third.

In the co-sponsored Ventura County Fair Purse--"Candy Spots" returned to rivalry for the San Diego Handicap won by horse victory over "Duel." Third place went to "Fondu Khan."

As soon as these forms are received, the Post Office will publicize the availability of these forms.

BOWL

(continued from page four)

On fumbles and spent a harried afternoon in the face of pressure by Nebraska's young defensive line, hit passes for 12, 11, 10 and 20 yards and made a stop-and-go 10-yard first down run after being trapped to engineer the victorious drive.

The Arkansas touchdown, scored by reserve tackle Tadlock Bobo Sweeney from three yards out with 4:41 left, and a 3-yard first quarter field goal by trusty Tom McCullough broke a three-game bowl game losing streak by the nation's No. 2 ranked Razorbacks.

Nebraska's raw power, blended perfectly with some fine passing by a sophomore quarterback Bob Churchill and precisely executed field plays featuring 154-pound fullback Frank Solich, had threatened to upset Arkansas, a favorite.
