Show me Thy ways, O Lord	68
I also am under authority	72
They desire a better country	76
Without losing its own light	80
I rejoice in the present, and have better things in store .	84
We covet not ambrosia or nectar	88
If everyone swept before his own door, all the street would be clean	92
Roasted pigeons fly into nobody's mouth	96
Securely rooted	100
Ever upwards	104
What I carry in my bosom I bear on my face	108
Made perfect through suffering	112
Whithersoever thou leadest	116
The softening influence of use	120
Parabolic	124
