Inmate stabbed in gang-related attack at LCI

by Teresa Edubas, Journal Editor

Charges are pending against a man serving two life sentences at Liberty Correctional Institution after another inmate was stabbed in the back four times Friday afternoon.

The injured man was flown to an area hospital by emergency helicopter. Department of Corrections (DOC) Deputy Communications Director Mary Cash would not identify the victim but said Tuesday afternoon that he is recovering and his wounds were not life-threatening.

Cash said the attack happened outside of one of the dorms and “appears to have been gang-related.” She said a homemade weapon was used in the attack.

DOF officials are waiting for the state attorney’s office to review the incident before proceeding with charges against Christian G. Villafane. He has been transferred to Wakulla Correctional Institution.

“We want people in the community to know we take any sort of incident between inmates and other inmates or officers seriously,” Cash said. “We will thoroughly investigate this incident.”

Villafane, 28, received two life sentences in July 2018 after being convicted of first-degree murder and kidnapping, assaulting or terrorizing a victim in Dade County.

Villafane, who is eligible for his 25-year high risk retirement at the end of Sept. 30, posted an argument on the sheriff’s office’s Facebook page Friday, saying he was stabbed by “fellow inmates who were not gang related.”

DOC officials are waiting for the state attorney’s office to review the incident before proceeding with charges against Villafane.

Blountstown Police Chief tells City Council he is stepping down

by Teresa Edubas, Journal Editor

Blountstown Police Chief Rodney Smith surprised the Blountstown City Council by announcing his plans to retire last week.

Smith, who has served as police chief for three years, said his last day on the job would be Sept. 30.

“It was unexpected,” said Blountstown City Manager Emory Pierce, who said there were no issues that he was aware of that would have prompted Smith’s decision.

Two nights later at the Sept. 12 budget hearing, council members asked him to reconsider and he agreed to give it some thought if he could speak with each council member individually.

“I’ve been kicking it around for a while,” Smith told The Journal regarding his decision.

He noted that he becomes eligible for his 25-year high risk retirement at the end of the month. He added that if he took another job after retiring, “It wouldn’t be in law enforcement.”

City Council Chairman Tony Shoemake said the board has scheduled a workshop for 5 p.m. next Tuesday to discuss their options and talk with Smith to see if he would reconsider his resignation.

Smith, who currently makes $72,487 a year as police chief, said he has been moved to another facility after he threw coffee on another inmate as she got into an argument with an officer.

A Calhoun County couple with numerous documented purchases of pseudoephedrine was arrested for making methamphetamine after investigators searched their SR 69 residence last Wednesday.

Calhoun County Sheriff’s Office Lt. William Whitley pulled up at the home around 11 a.m. and was met in the yard by Amanda Batson, who shares the home with Christopher Phillips and three other children.

Whitley said he had information the couple had been making methamphetamine on the premises, Batson denied doing so and said he was free to look around the home. Phillips came out from the home and spoke with Whitley, telling, “Nothing like that is going on here,” and stated that he was welcome to look around.

Whitley was joined by the state’s attorney who shares the home with Batson, and after speaking with the couple, he denied there had been a fight between the two and said his investigation was ongoing.

Whitley said the home had methamphetamine labs set up in the bedrooms, including digital scales and a compressor. The search also turned up two unopened boxes of pseudoephedrine pills and two unopened instant ice compresses.

The arrest report stated that since June 1, Batson has made 11 purchases of pseudoephedrine for a total of $32.52. In the same timeframe, Phillips has bought nine boxes of pseudoephedrine, which totals 19.92 grams.

Both were charged with manufacture of methamphetamine and possession of listed chemicals. Phillips was also charged with violation of state probation.

Note of Thanks

The family of the late Willie James Spears wishes to thank everyone for their show of love and support during the period of his untimely passing. We are so very grateful and blessed to know that so many people loved him. We’d like to give a special thanks to Pastor Phillips and his congregation at the First Baptist Church for the use of their sanctuary and the comfort it gave us. Willie’s final chapter has now been written and his book is complete. His was a life well lived and a soul now at peace. We thank our friends from near and far for all the memories in our hearts. Again, we thank you over and over and may God continue to keep you in our prayer.

People sometimes ask me when Florida officially went nuts. I like to tell them that the same train derailed somewhere between Mar- jorie Kinnan Rawlings and Carl Hiaasen.

Rawlings’ classic stories are from a Florida that was settled, but not yet subsumed by man. Her fictional characters from “This Narrows” and the hard-fighting “Cross Creek” neighbors lived largely off the land, even in the ’30s and ’40s, playing tag-of-war with nature for their daily bread.

Hiaasen is the well-known Miami Herald columnist whose novels, including “Strip Tease” and “Touroon Sea- son,” are inspired by his years of reporting on the state’s greed, corruption and excess. His Florida is one that’s occupied by people, over development and over- flowing with wealth. So, what happened to turn Rawlings’ Florida into Hiassen’s? How did we go from wild to weird to what-the-hell in the span of just a few short decades?

As with most Florida-related questions, rapid popula- tion growth is part of the answer. We’re out gathering all the people in Ireland, Is- rael and Alaska, and then mixed in Puerto Rico for good measure. You’d still have fewer people (and probably less diversity) than Florida.

However, growth is just a symptom. The real problem is that we’ve made it way too easy to be a Floridian these days.

We’ve all but eliminated the existential threats that were a daily part of Rawlings’ world. Life expectancy is up, puffer attacks are down and you can now be arrest- ed for taking a fawn from the wild. We’ve added indoor plumbing, cut way back on yellow fever and I rarely find a panther attacks are down and you can now be arrest- ed for taking a fawn from the wild. People sometimes ask me when Florida officially went nuts. I like to tell them that the same train derailed somewhere between Mar- jorie Kinnan Rawlings and Carl Hiaasen.

Rawlings’ classic stories are from a Florida that was settled, but not yet subsumed by man. Her fictional characters from “This Narrows” and the hard-fighting “Cross Creek” neighbors lived largely off the land, even in the ’30s and ’40s, playing tag-of-war with nature for their daily bread.

Hiaasen is the well-known Miami Herald columnist whose novels, including “Strip Tease” and “Touroon Sea- son,” are inspired by his years of reporting on the state’s greed, corruption and excess. His Florida is one that’s occupied by people, over development and over- flowing with wealth. So, what happened to turn Rawlings’ Florida into Hiassen’s? How did we go from wild to weird to what-the-hell in the span of just a few short decades?

As with most Florida-related questions, rapid popula- tion growth is part of the answer. We’re out gathering all the people in Ireland, Is- rael and Alaska, and then mixed in Puerto Rico for good measure. You’d still have fewer people (and probably less diversity) than Florida.

However, growth is just a symptom. The real problem is that we’ve made it way too easy to be a Floridian these days.

We’ve all but eliminated the existential threats that were a daily part of Rawlings’ world. Life expectancy is up, puffer attacks are down and you can now be arrest- ed for taking a fawn from the wild. We’ve added indoor plumbing, cut way back on yellow fever and I rarely find a

THE TENTATIVE, ADOPTED, AND/OR FINAL BUDGETS ARE ON FILE IN THE OFFICE OF THE ABOVE-MENTIONED TAXING AUTHORITY AS A PUBLIC RECORD.
The Liberty County Bulldog football team went Gator hunting and bagged the limit in the first half, scoring 39 unanswered first half points on their way to a 46-8 win over Wewahitchka. Liberty’s 39 first half points gave them a running clock in the second half of the Sept. 13 game.

The Bulldogs opened on defense and forced the visiting Gators to punt after four plays. Six offensive plays later William Hayes scored from four yards out to give LCHS a 6-0 lead. The extra point was no good.

Liberty’s defense forced another quick punt from Wewa and four plays later Jordan Chaney scored for Liberty to give them a 12 point lead. The Bulldog defense forced another Wewa punt and this time the Bulldogs blocked the punt taking over at the Wewa one yard line. Dusty Young scored for Liberty to put the Bulldogs up 18-0.

Wewa finally got their offense moving on their next possession. The Gators needed just three plays to move the ball to the Liberty nine yard line. The Gators had a false start to move the ball back to the 14 yard line. Aram lost two yards and then a pass moved the ball to the Bulldog one yard line. After losing a yard on a running play the Gators faced fourth and goal from the LCHS two yard line.

On the next play the Bulldog defense front over-powered the Wewa offensive line and tackled the Gator quarterback on the Bulldog four yard line to end the scoring threat. Liberty’s next two plays were a dagger to the heart of any hope left of a Wewa comeback.

On their next play Liberty moved the ball to the LCHS 20 yard line and then Hayes broke free for an 80 yard touchdown run that moved Liberty a 25-0 lead with 10:35 remaining in the first half. The Bulldogs added two more first half touchdowns and a 39-0 lead. The lead meant the second half was played under a running clock.

In the second half Deondra Fitzgerald scored a touchdown for the Bulldogs and Wewa scored with 5.1 seconds remaining in the game for the 46-8 final. LCHS Head Coach Grant Grantham said the Bulldogs played hard in the game and he was glad the team was able to give a lot of players a chance to play.

Getting in those younger players gives them a chance to learn under game conditions and will pay off for us down the road,” Grantham said.

The Bulldogs travel to play Franklin County Friday, Sept. 20 in a 7:30 p.m. (ET) district contest.
Hosford School will host a Scholastic Book Fair Monday through Friday, Sept. 23 - 27, from 8:30 a.m. to 3:30 p.m. Funds raised will help purchase books for the media center. Families, faculty, and the community are invited to attend this fun reading event that helps inspire children to become life-long readers.

The Book Fair will feature two special family events Tuesday, Sept. 24 from 5-7 p.m. with the family night and Friday, Sept. 27 from 7-9 p.m. as a parent breakfast.

The Book Fair offers specially priced books and educational products, including popular series, audiobooks, free new releases, adult bestsellers and other great reads from more than 100 publishers. The Varsity Lady Dawgs’ Softball Boosters will help purchase books for students.

Hosford School will be open 7:30 a.m. to 3:30 p.m. on Monday through Friday during the Book Fair. Scholastic Book Fair customers may help the school build classroom libraries by purchasing books through the Classroom Wish List program.

The Book Fair will feature more than 800 authors and nearly 5,000 titles. The funds raised will be used to purchase new books for the Hosford School library.

GRACEVILLE - Friday the 13th started a little shaky for the Blountstown Tiger football team in Graceville. The opening coin toss was won by Blountstown (3-0) but an error from the team captains resulted in Blountstown kicking off to start both halves of the game.

Once the game started, the chain gang was AWOL and the scoreboard clock was malfunctioning. However, three and a half minutes into the game and all was well again as Blountstown scored on its first possession and never was threatened the entire night. The Tiger defense registered its second consecutive shutout and limited Graceville to 2 first downs and 94 yards of total offense on 44 plays.

Blountstown struck first on a Brett Bozeman 5 yard TD reception from Hunter Jordan and Andrew Bennett kicked one of his 5 extra points of the night for a 7-0 lead. A three and out by Graceville and a short punt and Blountstown was set up in Graceville territory on the 39 to start their next drive. Five plays later Jordan rumbled into the end zone from 5 yards out and the 14-0 first quarter lead. Midway through the second quarter, Corin Peterson scooped up a Graceville punt just before it scooted out of bounds and raced 70 yards for a score. Blountstown led 21-0 at the half.

DINING IN THE DARK benefit set for Oct. 13 at University Center Club in Tallahassee

Tallahassee - The ninth annual Paula McCrum Memorial Dining in the Dark event, which benefits the Florida chapter of The Leukemia and Lymphoma Society and its blind and visually impaired clients, will take place on Saturday, Oct. 13 from 5:30 - 8:30 p.m. at the University Center Club in Tallahassee.

Dining in the Dark is a unique dinner event that features a four-course meal that will be served completely in the dark. Diners will be guided and served again this year by a team made up of members of the SWAT Team of the Leon County Sheriff’s Office, who will be using their night vision goggles.

Past attendees have remarked, “I really enjoyed my experience of this event!” “I am very happy with the dinner and the staff.” “I am very impressed with the staff.”

Dinners will be served in a darkened University Center Club by members of the SWAT Team of the Leon County Sheriff’s Office, who will be using their night vision goggles.

The Lighthouse is a nonprofit, charitable organization that has served the visually disabled in the past 30 years. The Lighthouse is an integral part of the Big Bend community. The mission of the Lighthouse is to eliminate barriers to those who are blind and visually impaired.

Goodies for Grandparents at BES

By Ashley Adkins

Last Wednesday, Sept. 11, Florida’s First Lady Mrs. Ann Scott visited Altha School. One of our fourth grade teachers, Mrs. Alday, received an email from “Just for Teachers” over the summer. The email contained information about how to complete a request to have the First Lady of Florida visit your school and read. Mrs. Alday completed the process using the information about how to complete a request to have the First Lady of Florida visit your school and read.

During his visit he was able to see all the many changes that have taken place at Altha School, including meeting Altha School’s current Music Director, Mrs. Tina Smith, and visiting his old band room which now serves as classroom space in the gym. Many friends, former colleagues and former students stopped by to visit and reminisce with Mr. Fabisiak.

On Wednesday, Sept. 4, Altha Public School was honored with a visit from former band and music director, Mr. Ralph Fabisiak. Mr. Fabisiak was the Altha School Band and Music Director from 1962-1969. During his visit he was able to see all the many changes that have taken place at Altha School, including meeting Altha School’s current Music Director, Mrs. Tina Smith, and visiting his old band room which now serves as classroom space in the gym. Many friends, former colleagues and former students stopped by to visit and reminisce with Mr. Fabisiak.
