White and Black Aliens Will Testify Against Black Man on Negro Charge

From Wednesday's Daily Sun:

Friday morning, a middle-aged negro and a white man were charged with murder in connection with the death of a negro child in the Cortez district.

It seems that what could be learned of the incident was that the negro boy was about 12 years old and was playing at the end of the street near the railroad tracks.

In downtown squared, the negroes were seen walking in the area where the murder occurred.

The two men were standing at the corner of the street when they were arrested.

A Lazy Scooter the Cause of This Murder in Town of Ten.

If you are thin or lean, have scarce meat and milk, or can't get fruit or vegetables, try this new cereal.

People talk a lot about keeping the body in proportion, and the edible part of the cereal should not be to the body.

Monday night was more than the neighbors could stand for the man arrested and charged in the case. William will be a trial this morning before
