10 cents.

FOR THE WEEK  
ENDING  
May 10, 1909.

## Your Printing.

Do YOU know that the Industrial Record Co. operates one of the largest and best equipped printing and publishing plants in Florida? Besides our own paper, the Weekly Industrial Record, we print the Florida Christian Advocate, the Florida Baptist Witness, the Florida Agriculturist, the South Jacksonville News, the Florida Fruit and Produce News, the High School Oracle, The Coat of Arms, Jacksonville's handsome society paper, and several other weekly and monthly publications. We print more show work than any other house in the State; we print all of the theatrical programs in Jacksonville. We do a vast amount of general commercial work. We would not have this splendid volume of work if we were not giving high-grade service. May we not do YOUR work? NAVAL STORES PRINTING IS ONE OF OUR SPECIALTIES.
