NUBIAN TEA—In Liquid or Powder Form—Is the great family medicine. It will cure all forms of Liver and Kidney Complaints, Prevents Chills and Malarial Fever. Cures the common ailments of children; and as a laxative tonic it is without an equal—safe and reliable. In the liquid, it is extremely palatable—even children like it—and it is READY FOR USE.

BENEDICTA is a woman's medicine. It will cure all the diseases common to women, and classed as Female Troubles. It will bring youth back to the faded woman, who has gone one suffering because she thought it woman's lot. It will care for the young girl just entering womanhood; and prepare the young woman for the sacred duties of wife and mother.

CUBAN RELIEF—The instant Pain Killer, for either man or beast. Relieves instantly, Colic, Cramps, Cholera Morbus, Diarrhoea, Dystentery and Sick Headache. For colic in horses it is an infallible remedy and is guaranteed to give relief in five minutes.

CUBAN OIL—The Best Bone and Nerve Liniment. Is antiseptic for cuts, snagged or torn flesh, and will instantly relieve the pain. Cures insect bites and stings, scalds and burns, bruises and sores, chapped hands and face, ore and tender feet. Relieves rheumatic pains, lame back, stiff joints, and in stock cures wire fence cuts, scratches, thrush, splint, collar sores, saddle galls, and diseased hoofs.

HOW DO YOU MEASURE?

The value of a still. By what it costs or by what it does? Do you realize that an increase of 5 or 10 per cent in quantity, quality or grade of your Spirits and Rosin will bring you 50 or a 100 times the additional first cost on the higher grade and consequently higher priced stills. It is to the credit of the McMillan Stills that they are high priced for experience shows them to be high grade.
