Special Cal. Orange Banner.
It was with the greatest regret that
Miss Madsen learned of the departure
of Little Chieftain Skippa with the angels in the hea-
topian. Miss Madsen and her sister, Mrs. F. C. Bon-
ner, have been friends of the family for a number of
years, and they have been asked to be present when
she leaves her home behind her. Miss Madsen was
joyful at the thought of her new home, but she was
sad to leave her friends behind. She will be a favor-
ing among her schoolmates and friends who have
known her.

Dr. W. C. Brown and Miss Helen
Barrett, besides returning from a two
weeks' visit to Washington D.C., reported
that they had a fine time.

Dr. Frank Sumpce came up to
the town last week to visit a relative
with a view to rebuilding the old hil-
burn, no matter what happens. Dr.
M. W. Brown from Mississippi,
who was on a visit, is expected to
return to the town by the next week.
