

POLITICAL ANNOUNCEMENTS

LEADING CANDIDATE FOR UNITED STATES SENATOR

DUNCAN U. FLETCHER

Stands for These Principles:

- Control of Interstate Carriers by Interstate Commerce Commission. Favors Income Tax. Stands for Tariff Revision, and Benefits to Florida Farmers and Fruit Growers. Duty on Egyptian Cotton. Government Appropriations for Harbors, Inland Rivers and Waterways. Opposed to Trusts and all Monopolies. Favors Currency Reform

ALBERT W. GILCHRIST Candidate for Governor of Florida.

No faction, machine or ring brought him out. He comes on as a candidate alone and single handed. He will be glad to receive the support of the corporations of the anti-corporations, the prohibitionists and the anti-prohibitionists, of the local optimists, the Christians and the Jews and Gentiles, the "Publicans and sinners." He would even accept the support of the Pharisees.

The corporations cannot do without the people, and the people cannot do without the corporations. Neither should be allowed to oppress the other. Capital is organized, labor should organize.

The license tax law licensing each little enterprise should be amended in order that taxation should bear more evenly.

Article XIX of the Constitution provides for Local Option. The qualified electors (not the Governor) appeared or veto constitutional amendments. He is not on the "recently constructed hand wagon."

He commenced life working in Quincy, Fla. at a salary of \$15.00 per month, and boarded himself. He has himself been a hard working, struggling man and he knows what it means in others. He has never married, he has always had obligations. His life has been spent more in thoughtful consideration of other people than of himself. He feels sure he will be elected "if he gets enough votes." He does not propose to trade off a single office. There is honor in being Governor. If it is tainted with dishonor he does not want the office.
