AIRY WAISTS

A lady can't have two waistless garments. With
the new cut, one waistless skirt is enough to
wear. The figure is lovelier, all shapes and sizes
are flatter, ankles are exposed and arms are
left free, the waist is no longer and the
shoulders are more graceful.

Insured pays Penn Mutual Life $85 less than Mutual Life. But Mutual Life Gave Back $135.25 more than Penn Mutual. Therefore the net cost of the insurance has been lower with the Mutual Life to the tune in the Penn Mutual—and these same differences exist in almost all the policies issued by both companies. Why pay more for life insurance in the Penn Mutual when a bigger, older and stronger company offers you the same policy at less cost?
