HARBOR, RIVER AND MARINE NEWS

Shipping Transactions and Notes of Interest Along the Bay Front.

Cotton in foreign ports has already started moving in large quantities as the season for buying of the March crop is near at hand. New Orleans agents say that the cotton is making good going. The Liverpool market is building up a small crop for export.

A narrow gauge is being placed on a new line, to be known as the Union heat & Cold Colvin Co. The track is being laid in sections of four miles and will be completed by the first of the year.

Nautic Undegraded.

The new steamboat is nearly completed and will be launched early in the month. The vessel will be the largest and fastest built in the United States.

Treasure Chest.

The treasure chest that was opened by the宝藏海岸 treasure chest company has yielded a vast amount of gold and silver. The chest is said to contain the treasure of the late Spanish king, Philip II.

SANTA ROSA PLANTATION CO.

Local Agent at Point Washington, Fl., Says Company is Developing Lands in Choctawhatchee Peninsula.

The following letter dated September 15, 1909, was received from the Point Washington office:

Dear Mr. [Name],

I am pleased to inform you that the Santa Rosa Plantation Company is making great progress in developing the lands in the Choctawhatchee Peninsula. The company has purchased a large tract of land and is now engaged in clearing and planting. The climate is ideal for agriculture and the company expects to make a substantial profit.

Sincerely yours,

[Signature]

The Educators at Carrabelle.

Mr. and Mrs. [Name], the educators at Carrabelle, have returned from a trip to Atlanta. They say that the city is booming and that the school is making great progress.

A THIRTY-FIVE POUND MAN.

An interesting incident occurred at the school recently. A young lad weighing thirty-five pounds accidentally fell into a well. The school is taking steps to prevent such accidents in the future.

INTEREST

There are more kinds of interest than the kind you pay for credit when you borrow from a bank. There is a personal interest, i.e., the interest that the efforts of the bank and its customers - an interest which prompt us to do whatever we possibly can to conserve and to ill those who also use its patronage.
