Omniscience.

Four-year-old Harry was spending the day with his aunt. Dinner was late, and the child began to grow restless.

"Auntie," he said finally, "does God know everything?"

"Yes, dear," answered his aunt.

"Every little thing?" he persisted.

"Yes, every little thing," was the reply.

"Well, then," he said, in a tone of conviction, "God knows I'm hungry."
