HONORED BY WOMEN

When a woman speaks of her suffering she trusts you. Millions have been moved to act by the mark of costume design on Dr. R. V. Ferraro, 1414 W. Madison St., where there are women who are devoted to the wonderful-working, aching-power of Dr. Ferraro's Favorite Prescription—which saves the suffering soul, and expanse with women's weakness.

IT MAKES WEAK WOMEN STRONG IT MAKES SICK WOMEN WELL.

No woman's appeal was ever misunderstood or her confidence misplaced when she applied for relief, on the World's Dispensary Medical Association, Dr. R. V. Ferraro, President, Buffalo, N. Y. Dr. Ferraro's Pleasant Feeling lasted until natural bowel movement once a day.

CHICAGO IS HAPPY AT LAST, SAYS THE WASHINGTON POST. Professor Forester says Rome could boast of no stockyard.

Well painted is valued whether owned or rented, millions of dollars or ten thousand. Well painted means higher selling value, and the owner or occupying values—for there's an additional pleasure in living in the house that is well decorated.

National Lead Company assist in making the most of the right paint by sending free request to all who ask for it. The famous "Women's Painting Outfit No. 49." Few of us are so fortunate as to be taken at our own valuation.

Consumption is the cost of the symptoms of disease. It is thoroughly cured by Dr. Ferraro's Peruvian Peppers. The favorite family laxative.

There are folks who know every thing about everybody else but themselves.

In summer children eat surplus fruit and remaining paint. Mothers should have Painkiller (Peerin Dent) on hand.

The day of the woman suffragist, and long foretold, is coming. It has been announced the Chicago Tribune. One has been set apart for them, the Alaska-Yukon-Pacific Exposition.

NEW STRENGTH FOR WOMEN'S BAD BACKS.

Women who suffer with backache, bearing down upon the whole body and that constant dull, tired feeling, can be made comfortable in the advice of Mrs. James Wright, of 4 19th Street, South Bend, Ind., who says: "My back was in a very bad way, and when not painful was so weak it felt as if broken. A friend urged me to try Dr. Ferraro's Kidney and Liver, and they helped me the most. It made me feel like a new woman, and since I was doing my work the same as ever."
