the-boldest.

By sending them to the other side of the world, I have been able to

about their own country. The only hope is that they may return

in future years.

In the meantime, let us hope for the best and pray for their safe

return.

The little girl could hardly sleep for the strange new feelings

which had come upon her. Her heart thumped in her breast as she

stood at the door of the night. She could not understand what

it was all about, and she wished to know the answer to her

questions.

In the morning, however, she found that all was well. The

old man had returned home and had taken her in his arms as

though she were his own child. From that time on she lived

happily with them.

In the meantime, let us hope for the best and pray for their safe

return.
