With that old enemy of the race, constipation, often ends in appendicitis. To avoid all serious trouble with stomach, liver and bowels, take Dr. King's New Life Pills. They perfectly regulate these organs, without pain or discomfort. 25¢ at the Fort Pierce druggist.

### Spanish Sheep

There are said to be 1,000,000 migratory sheep in Spain, which travel on occasions as much as 200 miles from the plains to the mountains. They are known as trashumantes, and their march, nesting places and behavior are governed by special regulations dating from the fourteenth century. At certain times no one may travel the same route as the sheep, which have the right to graze on all open and common land on the way.

### Torture by Savages

"Speaking of the torture to which some of the savage tribes in the Philippines subject their captives, reminds me of the intense suffering I endured for three months from inflammation of the kidneys," says W. M. Sherman, of Cushing, Me. "Nothing helped me until I tried Electric Bitters, three bottles of which completely cured me." Cures liver complaint, dyspepsia, blood disorders and malaria, and restores the weak and nervous to robust health. Guaranteed by the Fort Pierce druggist. Price 50¢.

## WE ARE ON "THE SPOT" Real Estate is the only Safe Investment

I have secured some of the most desirable and best locations at Stuart-on-the-St. Lucie and on the St. Lucie river that are to be had. If you anticipate buying here, NOW is the time, and you should call or write for further information at once. Stuart people realize the future importance of this section and, as a rule, are making no effort to sell property, but some desirable locations can be had through this agency. Every courtesy will be shown our customers.

**LOT No. 1.** A first class chance to obtain a nice piece of property of 15 acres; 7 in bearing pineapples; 8 under shed. The pines were not hurt by last winter's cold and have a good fall and winter crop in sight. Has a tram road, good packing house and railroad platform. One of the best paying pineapple plantations on the East Coast has been bringing in \$2,000 a year and the plants are in better condition now than ever. Can be had NOW for \$5,000.

**LOT No. 2.** A large plot of land near the postoffice, very desirable location and one of the best to be had at the price offered. Only \$250.

**LOT No. 3.** Five acres of land, short distance from post office, church and school on the rock road. A valuable piece of property that can be bought for \$800.

**LOT No. 4.** Five acres of some of the most valuable land in this section. It is excellently suited for pineapple culture or could be subdivided into building lots. It is situated on a fine rock road, only a short distance from postoffice, church, school house and railroad station and is offered at a price as low as land much further from the center of town. It has no superior and best quality. A safe piece of property to buy at the price of \$1,000.

**BETTER SEE ABOUT THIS ONE.**  
**LOT No. 5.** Here is a bargain that cannot be beaten anywhere. One hundred dollars net profit is made here every year.

on land not as good as this, and if you buy this I will tell you how to make more money on it. 10 acres, 1 1/2 miles from Stuart, 2 acres in oranges and pineapples. Some of the trees in bearing. 1 acre in pines and 2 acres garden land; buildings, etc. This is the best 100 acres on the St. Lucie river or any of its tributaries—20 acres of first class pineapple land, 140 acres good garden land 5/8 acres of marsh, and all first class orange land. Oranges are absolutely safe here; there has never been a freeze in the place and a good stock range all around; and an abundance of pure soft water. This property fronts on a bay that alone is worth \$1,000 to the place as it affords a perfectly safe harbor for boats in a storm. There is plenty of lemons, limes, guavas, mangoes, etc., for family use. Price, \$55 per acre.

**THIS IS A BARGAIN.**  
**LOT No. 6.** A very fine river front property. Two acres of fine pineapples. A few orange, lime and guava trees; a good 5-room, 1 1/2 story house; half interest in tramway and car to Rio station. The crop on this place netted \$75 two years ago. Fronts on the St. Lucie river. Price, \$600.

**LOT 7.** Ten acres of land on the St. Lucie river, 1 1/2 miles from Stuart; 6 acres of fine orange, fruit and vegetable land; it will pay for itself in one season if planted in potatoes or other vegetables. It is only a short distance from the big canal route and is certain to be worth more than is now asked. A safe investment. \$200.
