Boggs conducting the services. The Captain was well known on the East Coast. He had been all over the world as a sailor, filling this position as quartermaster. He will be missed by many friends at Stuart and elsewhere. He had no relatives living.

**A Wonderful Happening.**  
Fort Byron, N. Y., has witnessed one of the most remarkable cases of healing ever recorded. Anna F. King, of that place says: "Buckler's Arnica salvaged a sore on my leg which I had suffered over 20 years. I am now eighty five." Guaranteed to cure sores, by Fort Pierce Drug Store.

**Happy News.**  
The hair of the scalp is the life of skin. The hair falls out and those used in the hair are made of rubber and wool. The use of feathers in making hair brushes, attributed to the Russians, is a very bad habit. It is a very bad habit. All hair brushes should be made of the western country. Feathers were largely used during the reign of Henry VIII, of England.

**Pleasant.**  
"Oh, George, I'm so glad you're come!" exclaimed the girl. "Father is so excited and disturbed. Do go in and calm him."  
"Very well," said George, "what's the matter with him?"  
"Why—er—I just told him you wanted to marry me."

To whitful men the injuries that they themselves procure must be their schooling.—Shakespeare.

**A Memorable Day.**  
One of the days we remember with pleasure, as well as with pride to our health, is the one on which we became acquainted with Dr. King's New Life pills, the painless purifiers that cure headache and biliousness, and keep the bowels right. 25c at Fort Pierce Drug Store.

We have to offer for the season of 1907 Two Hundred Thousand Pineapple crates. Price 18c delivered in carload lots to all stations between Eau Gallie and Stuart inclusive, and 18 1/2c to all stations between Hobe Sound and Delray inclusive. This price is for 9-32-inch slats. ### DR. ARMSTRONG'S STATEMENT

The Well Known Eye and Nerve Specialist of Jacksonville.

"It is a well known and established fact that 90 per cent of all headaches and nervous troubles are reflex from eye strain. Although the eyes may seem perfect in their functions, there may exist some latent trouble that will produce many complications of the entire system and produce an everlasting train of the nervous force, thereby causing many chronic troubles to develop. To locate these conditions is a new science not taught in the old schools. By this modern system of Ophthalmology, which I now practice exclusively, I overcome all forms of eye trouble, straighten cross eyes without operation, chronic and nervous troubles disappear. I have obtained grand results in hundreds of cases throughout Florida. I can be seen in person here at the Statton Hotel on January 14, 15, 16, at Jensen on the 18th and at Stuart on the 19th—one day only in each of these places.

**They Wouldn't Lay.**  
A blonde young woman from a prominent family in Virginia went into a local store carrying three chickens and she inquired the price of chickens and at the same time put them on the counter.  
"Why may I say there?" asked the clerk, who did not know that the chickens were hers.  
"See but her husband died in a quarrel a moment and said:  
"No, sir, they are roasters."—Lippincott's.

**There Were Others.**  
"That court player on the third floor has remarkable endurance," remarked the general visitor.  
"He has," agreed the regular boarder, "but it's nothing compared to the other boarders."—Toledo Blade.

**Too Independent.**  
Lady—And you say you have been brought to me by your wife? Tramp—Yes, sir, I got her three good jobs and her husband's independence lost for the rest of his life.

Saving comes too late when you get to the bottom.—Benedit.

**Long Live The King!**  
is the popular cry throughout European countries; while in America, the cry of the present day is "Long live Dr. King's New Discovery, King of throat and lung remedies." of which Mrs. Julia Ruder Paine, Truro, Mass., says: "It never fails to give immediate relief and to quickly cure a cough or cold." Mrs. Paine's opinion is shared by a majority of the inhabitants of this country. New Discovery cures weak lungs and sore throats after all other remedies have failed; and for coughs and colds it's the only sure cure. Guaranteed by the Fort Pierce Druggist. 50c and \$1.00. The bottle free.

**Portland Cement.**  
We have constantly in transit shipments of Whitehall Portland Cement and can make you very low quotations and prompt delivery. East Coast Lumber & Supply Co., Eau Gallie, Fla.

**Pointed Paragraphs.**  
Do something for somebody and do it now.  
Thinking was doesn't count unless you act on it.  
Don't follow in the footsteps of your competitors, set the pace.  
Life is not worth living unless you are trying to do it.  
To be successful, when an ounce of industry is worth a bushel of energy.  
The more you know there is in some minds, the less they say things.  
No man can be a lion in his back from getting out of his own garden.  
Most of our so-called pleasures are acquired but pleasures after we die.

**This Must Be Sold at Once**  
It is not every day that you can buy a choice piece of property at a bargain worth considering, but I have a place on the St. Lucie river that must be sold at once—a good river front, story and a half house, furniture, two boats, two acres of pineapples; good neighbors. It will pay you to write at once—my price will sell it.

**TO PINEAPPLE GROWERS**  
I shall handle the UNITED and ELK brands of Pineapple Paper this year as usual and will be ready soon to submit prices. Thanking you for past favors Respectfully
