PERSONAL AND LOCAL.

B. G. Ball went to West Palm Beach this week on business.

The large steam yacht, Roxana of New York, was at the dock this week. Mr. M. Harrison went to Miami on Monday to be at a country board meeting.

We are informed that the Stuart Hotel will be added to and fitted up in its modern style.

Half of the 1000s made to accommodate all the tourists that come to the place in winter.

The new home on the river has been extremely good and the road and reef now have had a fine time.

The Methodist church is being put up and will be finished in a few days.

A. F. H. is suffering with the grip this week, it is hoped that he will soon be out as he is missed very much by his friends.

Call on W. A. Ball at the Postoffice building and see the samples of the printing executed by the Tribune Printing Company.

From Hugh W. Gough and members of his family were in town on Wednesday. The 1000s comes to town in his last boat Tossan.

We are glad to learn that Mr. Dorn is now able to be out of doors and is feeling very much better. All his friends hope for a speedy recovery.

S. S. Statton met with an accident Wednesday by getting caught between a boat and the dock. It bruised his arm but he says it is getting along very well.

Regular services were held at the Methodist church on Sunday by the pastor, Rev. Burgess. The attendance was good and the service much enjoyed.

A. J. Popper is putting up a new house at his Stuart place. It is being built at the dock and will be fitted up with an office and a few bedrooms. Mr. Popper reports that the weather of the city is very fine.

There was a very interesting meeting here Saturday night and the Stuart people heard some fine speaking by the pastor, Rev. Burgess. The meeting was held at the Stuart Hotel. The speakers were Rev. Burgess, W. A. Ball, A. F. H., and others. The meeting was very successful and the speakers were well received.

The new home on the river is now being finished. It is a very fine house and will be a great addition to the place. The house is being built on a very fine lot and will be a very desirable place to live.
