711 Barnett National Bank Building  
Jacksonville, Florida

Dear Governor:

My personal congratulations to you and your new partners in the organization of a fine law firm. I am sure that your association will bring much success to you individually and honor to the Florida Bar.

According to the press, you do not plan to completely withdraw yourself from politics. I don't know what your plans may be, but when the time comes if you need me, please advise.

Sincerely,

  
R. O. MITCHELL
