Jacksonville, Florida

Dear Melba:

Finally, I will see you and Governor Bryant late Thursday afternoon or the very first thing Friday morning, and as you should expect, I will have a copy of the Governor's report.

Until I have checked these first books, we will not complete all the bindery work, but you can rest assured you will be able to have as many as you want no later than Monday, June 14. I hope that upon my arrival you will have at least the number of books you will expect us to mail, so we can arrange proper instructions on the balance.

I am looking forward to seeing you.

Sincerely,

J. Leonard Levy
