Dear Farris:

Last Friday I went over to Keystone Heights and talked to the Rotary Club there on county government.

While there I talked with C. J. "Pete" O'Connor, who has moved his real estate-appraisal office to that city from Gainesville.

Pete, you will remember, came up to the George Washington Hotel in Jacksonville last fall at one of your organization meetings. Pete was quite active in Alachua and Clay counties in your behalf during the recent campaign.

I am writing to suggest that in your appointments of members of Citizens' Committees, Pete O'Connor would be a fine choice for the Committee on Tourism or the Committee on Development or any other committee for which you would be able to use his ~~services~~.

Sincerely,

J. E. Devall
