The Honorable F. W. Bedenbaugh
Lake City
Florida

Dear Shorty:

I want to express again my appreciation for the invitation to meet with you and the other members of the Eighth Congressional District delegations last Monday. Julia and I both enjoyed it so very much and ask you to convey our sentiments to others of our hosts.

After getting a copy of the letter from Dick Simpson to Bill Hammons I wrote Bill myself apologising to him further for my stupid failure to introduce him, and want to tell you of my regret for any embarrassment it may have caused you.

I look forward to seeing you and Mrs. Bedenbaugh in Tampa. Incidentally, you have two fine boys who certainly are a credit to you.

Sincerely yours,

C. Farris Bryant
