GOVERNOR'S OFFICE
TALLAHASSEE, FLORIDA

Honorable Farris Bryant
Governor of Florida
State Capital Building
Tallahassee, Florida

Dear Farris:

I have watched with sincere interest your administration as Governor of Florida and it is my considered opinion that you will go down in history as being one of the best Governors that Florida has ever had, and I feel very confident that a majority of the people will agree with me.

You have conducted the highest office in this State in a superb manner, and I am sure that all of your friends are elated because it makes the average voter happy to know that he supported a good public servant, and this you have certainly been.

With Season's Greetings to you and your fine family, I remain

Very truly yours,

J. A. WRIGHT
