Mr. Loyal Phillips
Ocala Star-Banner
Post Office Box 490
Ocala, Florida 32670

Dear Loyal:

What Tom really wants, as I understand it, is for the Board of Education to have a larger voice in details of the management of universities. I thought he did the system a disservice by his remarks, but, of course, he is entitled to his own opinion.

Thank you for your wonderful editorials.

Sincerely,

Governor
