

November 23, 1964

Encl. Per

Mr. W. J. Mair
International Business Machines
Corporation
South Road
Poughkeepsie, New York

Dear Mr. Mair:

I shall be so pleased to have your brother and his wife and friends visiting here in 1965.

I shall not be governor then, but I am referring this letter to the Commissioner of Agriculture, the Honorable Doyle Conner, and assure you that they will receive a welcome of which you can be proud.

Sincerely,

Governor
