Honorable Ben C. Willis
Judge, Circuit Court
Leon County Court House
Tallahassee, Florida

Dear Ben:

Thank you for your gracious letter of January 7. Your service on the bench in Tallahassee made my task much easier than it otherwise would have been. Particularly did your opinion in some critical cases resolve problems that could easily have stained my administration.

I'll miss our Sunday School class and your fine lessons -- and you and Helen. Please come to see us when next you are in JACKSONVILLE.

Sincerely,

Farris Bryant
