The Reverend Edward J. Pendergrass  
Resident Bishop  
Methodist Building  
Jackson, Mississippi - 39201

Dear Ed:

My cup runs over. Last night I attended a revival meeting conducted by Bishop Moore at Harry Waller's church. Galon Howe came in to sit by us, George Harper was there, and so many other friends. It made my return to private life a very satisfying experience.

We miss you in Florida. You have been an inspiration to Methodists particularly, but to all who knew you, and I wish you a life of continued success and service in Mississippi.

Sincerely yours,

Farris Bryant
