Captain H. C. Weart
Commanding Officer,
U.S. Naval Air Station
Pensacola, Florida

Dear Captain Weart:

Mrs. Bryant and I have just returned from our week in Highlands, North Carolina, to have our memory refreshed of the delightful time we had with you and Mrs. Weart at the Naval Air Station. You were so extremely thoughtful to send us the photographs, and the good old Navy Yard products that we will use with pride and pleasure.

We had such a wonderful time with you! It began our vacation on just the right note, and we continued at the same relaxed and easy pace throughout the week.

Thank you for inviting us and letting us enjoy our old friends and having the privilege of getting to know so many of yours.

Sincerely yours,

Farris Bryant
