Dr. J. Wayne Reitz, President
University of Florida
Gainesville, Florida

Dear Wayne:

Thank you for your gracious letter of January 5. It has been a source of great satisfaction to me to see the progress that the University of Florida has made under your leadership during these four years certainly, but also throughout your tenure.

I have regretted that the pressures of our respective offices have not permitted more of the leisurely association which would be so enjoyable with you and (FRAN), and I do hope that at sometime in the future you will pay us the compliment of a visit here in Jacksonville so that we can begin to make up for lost time.

Best wishes to you as you carry on your responsibilities.

Sincerely,

Farris Bryant
