MEMORANDUM

May 25, 1953

TO: Honorable C. Farris Bryant
Honorable Willard Ayres

FROM: Wallace E. Sturgis

RE: Senate Bill 298

Senator Hodges came to me this morning and said that in a conference with Representative Griner he understood that the above Bill had not been placed on your special order calendar.

Senator Hodges further stated that he expected to call up the House Bill which is now before the Senate for disposition, unless the Senate Bill is promptly considered by the House. You will recall that Senate Bill 298 embodies the agreement which I entered into in connection with this Bill and with your consent.

Under the circumstances, won't you both use your best effort to have the Senate Bill immediately placed on the special order calendar in the House and disposed of? I am afraid that unless this is done without delay, the delay will be taken as an excuse for bringing up and disposing of the House Bill.
