Hon. Farris Bryant,  
Governor of Florida,  
Tallahassee, Florida,

Dear Governor:

Thank you very much for your kind letter. I shall look forward to seeing you when you establish your new residence here. Your suggestion of sitting on the quay and watching the ships go by is excellent.

I think your tenure as governor of Florida has been outstanding. I'm glad I voted <sup>for you</sup> and supported you in two gubernatorial elections.

With my best wishes to you, I am,

Sincerely,

*Herbert Bayer*
