GOVERNOR'S OFFICE  
TALLAHASSEE, FLORIDA

Gov. Farris Bryant  
Tallahassee, Florida

My dear Governor:

The enclosed letter will show that I have been a supporter of yours for a long time. When you ran for office the first time Jay told me, "Vote for Farris. He is all right."

I asked you to be my Kiwanis speaker two times. I would have been tremendously proud to have been able to introduce my governor.

I have never said one word against my governor, and have always come to his defense. Because to me he is a great man; I do not like to hear him criticized.

I wanted to write to you before  
the end of your administration, because  
then you will be very busy and many  
others will be singing praises unto  
you.

If you ever run for another state  
office, you can count on a supporter in  
Umatilla.

I am very grateful for what you have  
done for Jay. I also want to thank  
you for helping us get Road 19  
through Umatilla.

This is a great state and you have made  
it a great governor. One of its humble  
citizens just wants to say,

Thank you,

J.C. Brown
