Hon. Farris Bryant
711 Barnett Bank Building
Jacksonville, Florida

Dear Farris:

Just a note of congratulations on your nomination, by President Johnson, for the directorship of the Office of Emergency Planning. Mr. Johnson could not have made a finer selection.

Perhaps you are not aware that I left the Florida Citrus Commission after nine years to accept a position with the above Advertising Agency. It was a big decision for me, but getting back to private industry is most rewarding.

Again, my sincerest congratulations and if the Pages can be of any assistance to you at any time, you have only to ask.

Debbie joins me in sending our best to you and Mrs. Bryant.

Cordially yours,

W. M. ZEMP & ASSOCIATES, INC.
