Mr. Gerald F. ~~Wilson~~, Vice President
National Variable Annuity Company of Florida
5445 Mariner Street
Tampa, Florida

Dear Shorty:

I appreciate your congratulations, and hope that's what I need instead of condolences.

I am confident that the companies are going ahead as they ought to do. As you know, I have my entire economic future tied up in these companies and I would not leave unless I were sure.

Part of what made me sure was your being on the team!

Sincerely yours,

Farris Bryant
