Dear Farris:

It is very important that you see and visit with my friend, Charles Fulton, Attorney-at-Law, in West Palm Beach when you are in that vicinity. Charles is considered by many as probably one of the most outstanding attorneys in that part of the country. He knows of you and I think he has met you but it is very important that you and he become closely acquainted. I will go into this with you when I see you.

I told Winton that you and I may have a little bit of difference of opinion as to who to hit on the financial set-up. Now, we don't want anything to boomerang on us. Please let's give this some thought and work it out to your best interest.

Best wishes and kindest personal regards.

Sincerely yours,

JOHN M. HAMMER
