Dear Farris:

Many of the Younger Democrats here in Duval County have been very interested in exploring the possibility of a breakfast in your honor to be held here in Jacksonville at which we could reassemble once again the many young men who worked in your behalf for the democratic nomination for the Governor of the State of Florida.

In reading the Florida Times Union last week I noted that Pledge Gay of Jacksonville Beach announced that you would be in Jacksonville on August 5th, 6th and 7th to meet with various campaign workers. It is my hope that we can arrange this breakfast at the George Washington Hotel on one of the mornings that you will be in Jacksonville. Please consider this an invitation and if you will be so kind as to let me know which morning would be most convenient, I will immediately make plans with the hotel and advise the Younger Democrats for Farris Bryant of Duval County of the occasion.

Alice and I are so appreciative of the thoughtful letters sent to us with thanks for our work in the campaign. We all are very proud of you in Duval County and look forward to four progressive years of your administration.

I have tried to contact Pledge Gay today but was unable to reach him but I will let both he and David Foerster know of our plans
