Dear Farris:

The luncheon that you and Julia gave was certainly a delightful affair and I wanted you to know how much I enjoyed it. We are all very proud of you and we all think you will make Florida an outstanding Governor.

I was glad to hear you say that you plan to run a strong campaign in November and I do think it is necessary, particularly in areas where Republican registration is heavy. I hope that we can get together and have a meeting with some of the people in our area in order to try to get out a large Democratic vote.

Whenever I can be of service in any way, please let me know.

Sincerely,

PAUL G. ROGERS, M.C.
