Eustis, Florida

Dear Burnham:

Belatedly but most assuredly, I want you to know that I deeply appreciate your letter of July 28.

Among the things you discussed, your thoughts on the lack of organization in 1956 are most realistic. Of course you know as well as I that in this game of politics you cannot have organization without finance. It goes without saying that was my real problem then. However, I am glad to report that we are overcoming the financial problem which haunted my campaign in 1956. All in all, I cannot help but feel encouraged by the reports that I am getting from my many friends throughout the State. As you so capably put it, many people wait until all the horses are at the post and running until they pick their choice. I think that is true as of today.

With kindest personal regards, I remain

Sincerely,

Farris Bryant
