Honorable Farris Bryant
Director
Office of Emergency Planning
Room 202, Executive Office Building Annex
604 - 17th Street, N. W.
Washington, D. C. 20504

Dear Governor Bryant:

I am enclosing some material which I hope will be helpful in answering the questions posed by the Director of the Urban Research Center of Florida State University by letter of August 31.

Unfortunately, there is not a copy of the news release which was issued at the time of the formation of the Joint Community Impact Coordination Committee, but I believe the report dated April, 1962, transmitted to you by Max Brewer, supplies the information Mr. Griffin requested.

Sincerely,

(Mrs.) Lucille Rogers

P. S. The children are fine -- oldest is in Jr. High this year, and Mike will be 4 on Thanksgiving Day.

Our old gang is breaking up -- JoAnne Reaves is going to work as secretary to Mr. Van Arsdale at Industrial Commission next week. Ann is undecided about what she is going to do but indicates she wants to leave Tallahassee.
