Governor C. Farris Bryant  
Director, Office of Emergency Planning  
Executive Offices  
The White House  
Washington, D. C.

Dear Governor Bryant:

We were delighted when Warren Cason called to say you had accepted our invitation to the dinner for Robert King High on October 18th here in Tampa.

We were neighbors and good friends of Lucille and Chuck Collins. I don't know if you recall, but I called you the night Chuck passed away.

The dinner is being sponsored by all of the West Coast counties and it looks like we will have a very good crowd. The social hour starts at seven o'clock with dinner being served at eight. We will have a live telecast at nine-thirty, which will be taped and shown throughout the state at later dates. It will be a black tie affair for the guests of honor such as yourself.

Warren did not say whether or not Mrs. Bryant will be with you, but we certainly hope so. Please let us know so we can make plans for our seating arrangements accordingly.

Congressman Sam Gibbons will be here unless something unforeseen comes up. We plan to send a plane up, probably a Lear Jet, for Sam and others from Washington and return them to Washington that night. We would like to include you in these plans if you so desire. Please have your office advise me if you would like for me to handle this or make reservations for you if you plan to stay overnight.

I will call your office later this week and finalize the details of your trip.

Many thanks for taking time out of your busy schedule to come to our dinner. I know Mayor High will be very pleased also. We will all look forward to seeing you on the eighteenth.

Very truly yours,
