Mr. Myron Blee  
246 N. Jefferson St.  
Amboy, Illinois

Dear Mr. Blee:

Farris Bryant has advised me that you contemplate leaving Amboy for Florida on October 5 and could be expected in Tallahassee on or about October 8. Prior commitments make it necessary for me to be in Madison, Wisconsin, on the evening of Wednesday, October 3, and I do not contemplate being back in the office until Monday, October 15. My wife and I will be stopping in Wheaton, Illinois, prior to the conference in Madison, and it will be possible for me to see you in Amboy on the afternoon of October 2 or the morning of October 3, whichever will meet your convenience, inasmuch as Amboy is on a direct route between Wheaton and Madison.

I had planned an inspection trip of tax field offices in the State, in connection with our study of a single revenue department, commencing October 22, and I had hoped that the position for which you have been recommended could be filled by that time. The date of your availability, however, would not be a major factor, and I shall be happy to discuss this with you further in Amboy should you find it convenient to see me at that time.

Looking forward to seeing you in October, I am,

Sincerely,

S. Sherman Weiss  
Director
