Personal and Confidential

The Honorable C. Farris Bryant
House of Representatives
Tallahassee, Florida

Dear Farris:

I tried a couple of times to call you but once couldn't get through and the next time they couldn't locate you.

I called Jim Love and he in turn made the calls you wanted made. He has since advised me that both the men from there will go along and both of them are to contact you. They will probably have done so prior to the time you receive this letter.

Warmest regards and best wishes,

Sincerely,

George Smathers
