Hon. C. Farris Bryant
Speaker of the House of Representatives
Gaines, Florida

Dear Farris:

We were happy to see you again and only regret that we did not have more time to be together.

I sincerely appreciate the very fine appointments that you have granted me. I am not discussing them with anyone until you are prepared to make the release.

If there is anything between now and the session on which you feel I can be of service, please do not hesitate to ask.

Best regards.

Very truly yours,

DANTE S. FASCELL
State Representative
