Sincerely yours,

With warmest personal regards I am

done.
In letting the fellows in the bank work with me as you have
of my friendship and my appreciation for your generosity.
Whatever your decision, I want you to feel confident

for governor four years from now even as it does now.
I will do him good--Florida will still need a good candidate
for another day. He is young--one time around the track
this time and save your support for our mutual friend
what is best for Florida, is to go ahead and support me
desire to support our mutual friend, as well as doing
seems to me that the only way that you can satisfy both
