Mr. Faris Bryant
P.O. Box 563
Ocala, Florida

Dear Faris:

I shall be pleased to serve on your Executive Committee. I think you will make a fine Governor.

As you know I have served on an executive committee level in several major campaigns. I also have a New York background in public relations and speech writing, and political television productions.

This experience is at your disposal. Wishing you every success,

Cordially yours,

Jerome G. Greene
