Dear Ferris:

When we have had a chance to resolve leadership  
in Clearwater as between Ben Krenthagen and John  
Rosa, please let some of us know.

In a conversation a few moments ago with one of  
Dovle Carlton's leading supporters, the statement  
was made that Dovle will have the endorsement of  
the Orlando Sentinel and the two leading newspapers  
and leading television station in Miami.

This is merely for your information.

With kind regards,

Cordially,
