Honorable C. Farris Bryant
Ocala
Florida

Dear Farris:

We were very happy to have you with us here Saturday and we are looking forward to a return engagement soon in order that you may meet with the complete Executive Council.

I am enclosing herein the names and addresses of the Executive Council members who were present at the meeting yesterday.

I will be discussing with our mutual friend B.L. Webb a program that I feel should be undertaken immediately so that we may determine who our friends are and which section of the state will be needing special effort.

With best personal wishes, as ever

Nick Papalos
